Yardage per stitch pattern repeat

Meters	68m	81m
Yards	75yrds	89yrds

Sample shown here (size S) used Badma Yarns "Camel-3" Fingering Weight, 100% Mongolian camel 3 ply, 200m / 220yrds per 50g, in color Golden beige.

Needles

Circular needle in size to obtain gauge, 80cm / 32" in length. For the beginning a circular needle 40cm / 16" in length is helpful.

Sample was knit on 3.5 mm / US 4 needles.

Notions

1 unique stitch marker for BOR.

Optional: Stitch markers for stitch pattern repeat

Darning needle

Gauge

26 sts and 33 rnds per 10cm / 4" worked in the rnd in stitch pattern, after blocking.

Changes in gauge will result in size differences and affect the amount of yarn needed to complete the project.

Techniques Used

- Long-tail cast-on
- Knitting in the round
- Lace knitting
- Picot bind-off

Symbols and abbreviations

Please see page 5.

Constructions

The collar is worked top down in the round. After the first stitch pattern repeat, you work the increases in a (k1tbl, p1) pattern. To finish the collar, the stitch pattern is repeated once more over all sts and then a picot bind-off is worked.

Instructions

CO the given number of sts using the long-tail cast-on or your favorite cast-on.

Size	S	M
CO	140	168

Join to knit in the rnd, being careful not to twist the sts. Place your BOR marker to denote the beginning of the rnd.

Start to work as per chart or written instructions. *Find the chart on page 6 and the written instructions on pages 7-8.*

The chart / written instructions shows one pattern repeat, work it 10 times for size S and 12 times for size M.

For rnds 50-61 of chart / written instructions, repeat rnds 2-13 20 times for size S and 24 times for size M.

After rnd 61 of chart or written instructions work the picot bind-off as follows:

BO 1 st. *Put the remaining st back onto your left-hand needle and CO with the knitted CO 2 sts, BO 3 sts (the 2 new cast-on sts and 1 st from your left-hand needle)*, repeat from * to * all around. Break yarn, leaving a tail approx. 20cm / 8" in length for weaving in.

TIP: If you wish to make it longer, repeat rnds 50-61 twice or as many times as needed to reach your desired length.

Finishing

Weave in all ends. Soak collar in warm water for 10 minutes, lift carefully out of water, put on towel and gently squeeze the water out. Block into correct shape and size.
