Constructions

Knit the sweater top down in the round. After completing the first stitch pattern repeat, start the round yoke shaping related to the stitch pattern. After finishing the yoke, divide the sleeves from the body and put the stitches for the sleeves on hold. Knit the body first, in the round, following the stitch pattern. Depending on your bust size, every other stitch pattern line may run out, with the other repeats later. Finish the body in plain stockinette stitch and use a picot bind-off. Next, work the sleeves in a similar way as the body, without decreases, and continue the center lace pattern down to the cuff. Finish the sleeves with a picot bind-off as well. Both body and sleeve lengths can be customized.

Sample shown here (size S) used Badma Yarns "Camel-3" Fingering Weight, 100% Mongolian camel 3 ply, 200m / 220yds per 50g, in color Golden beige.

Needles

Circular needle in size to obtain gauge, 80cm / 32" in length. For the beginning a circular needle 40cm / 16" in length is helpful.

Preferred needles for small circumference knitting (circular or DPN) in size needed to obtain gauge.

Sample was knit on 3.5 mm / US 4 needles.

Notions

1 unique stitch marker for BOR.

Optional: Stitch markers for stitch pattern repeat

Darning needle

Gauge

26 sts and 33 rnds per 10cm / 4" worked in the

rnd in stitch pattern, after blocking.

Changes in gauge will result in size differences and affect the amount of yarn needed to complete the project.

Techniques Used

- Long-tail cast-on
- Knitting in the round
- Lace knitting
- Picot bind-off

Sizing and schematic

All measurements in the table represent the dimensions of the finished garment. The Sweater is designed to be worn with positive ease at the bust, so choose a size approximately 12.5-23.5cm /5-9.25" larger than your actual bust circumference. For simplicity, the schematic shows one sleeve only.

The sweater is designed to reach the hips, with sleeves that stop half a hand's width before the wrist, rather than a classic $\frac{3}{4}$ length. But as usual, length of lower body and sleeve is customizable.

Instructions

CO 140 (all sizes) stitches using the long-tail cast-on or your favorite cast-on. Join to knit in the round, being careful not to twist the stitches. Place your BOR marker to denote the beginning of the round.

Tip: If you prefer a smaller collar circumference or are using a yarn that tends to stretch while being worn, use a smaller needle for the cast-on and the first 13 rounds.

Start to work as per chart Yoke or written instructions Yoke for your size. *All the sizes of the chart Yoke and the written instructions Yoke are in Appendix 1.* The chart and written instructions show one repeat only. Repeat it 10 times around. When you have finished the yoke according to your size, the stitch count should be as follow.

Separating Body and Sleeves

(Please see correct number of sts for your size in table on next page. Basic stitch pattern chart and written instructions are on page 10.)

Work the first 15 stitches in basic stitch pattern, then place the stitches for right sleeve on hold using waste yarn. Cast on the stitches for the underarm as indicated in the table (optional: place a marker to indicate beginning of Front). Continue working in the basic stitch pattern plus (x) knit stitches after each basic stitch pattern line across front according to your size and place a marker to indicate the end of the Front. Next, place the stitches for the left sleeve on hold using waste yarn, cast on the stitches for the underarm again (optional: place a marker to indicate beginning of Back), and continue working in the basic stitch pattern plus (x) knit stitches after each basic stitch pattern line across the back to the end. Do not remove the BOR marker; it should remain in place.

Yes! Your BOR is on a uncommon place, this is correct as otherwise there would be a confusion with the lace stitch pattern, so don't worry!

Body

The new cast on stitches under each underarm will be worked in stockinette stitch.

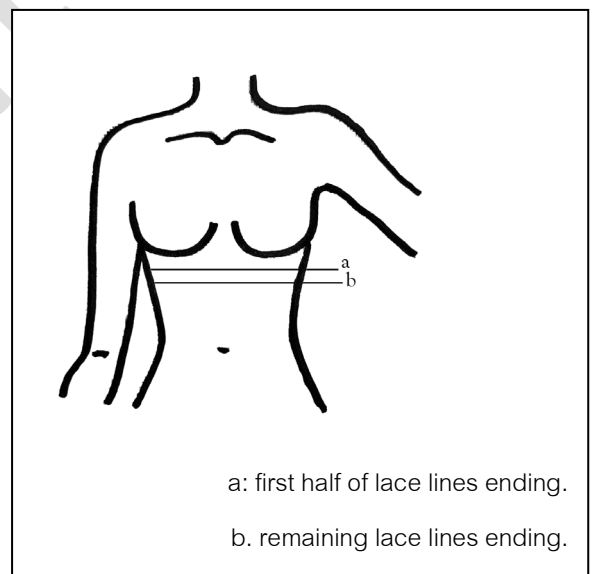

Now work in this manner until you finished this started basic lace pattern repeat with a round 12.

Lace Ending

Now it becomes a little more individual:

The lace pattern lines run at least a half hand's width below your bust. This means that, depending on the size of your

bust, you work them further down so that they do not end between the highest point of your bust and directly under it.

Tip: Note down how many pattern repetitions you have completed since separating the body and sleeves up to this point; you will work the same number of repetitions for the sleeves.

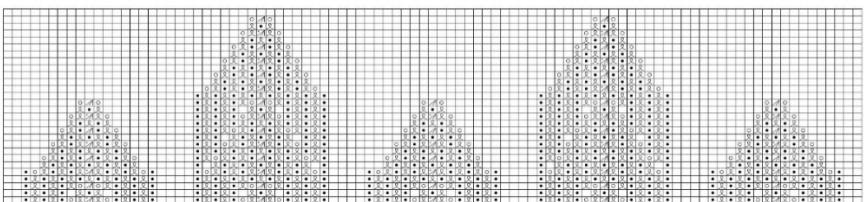

Work in pattern until you have reached the length of the lace pattern for your body (a lace pattern repeat is approximately 3.5cm / 1.4" in height and for example I worked another 2 repeats on size XS). End with a Round 12 of Basic Pattern. Now set up as follows:

Work the first pattern repeat according to the Chart or Written instructions "Lace ending", knit the stitches of underarm, *work according to the Chart or Written instructions "Lace ending", knit (x) stitches according to your size, work in basic stitch pattern, knit (x) stitches according to your size* work from * to * a total of 3 times. end with a "Lace ending" repeat. Next knit the stitches of left underarm, *work according to the Chart or Written instructions "Lace ending", knit (x) stitches according to your size, work in basic stitch pattern, knit (x) stitches according to your size* work from * to * a total of 3 times. *The Chart / written instructions for the "Lace ending" are on page 11.*

Next start to end the remaining Lace repeats, work the 12 rounds of Chart / Written instructions "Lace ending" once more and the stitches between in stockinette stitch.

Are you a little rebel? Want the lace pattern to run all the way down? Just ignore the "Lace Ending" instructions.

For better understanding here an overview of the end of the lace pattern lines (or see photo on page 41):

Now, work the lower body in stockinette stitch until you reach the length specified for your size in the table on next page or your preferred length.

Measured from underarms.

Now BO all sts loosely. Use the picot bind-off or your favorite bind-off technique.

Work the picot bind-off as follows (find instructions on next page):

BO 1 st. *Put the remaining st back onto your left-hand needle and CO with the knitted CO 2 sts, BO 3 sts (the 2 new cast-on sts and 1 st from your left-hand needle), repeat from * to * all around. Break yarn, leaving a tail approx. 20cm / 8" in length for weaving in.

Sleeves

Both sleeves are worked the same way without decreases. The center lace pattern runs down to the cuff while the other 2 lace patterns will end at the same high as those first ones on the body. Place the held sts of each sleeve onto your preferred needles for small circumference knitting. Join yarn at the underarm, pick up the correct number of sts from underarm as indicated in the table below, place BOR marker in the center of the underarm sts and start working in the round in the established stitch pattern.

St count per sleeve	65	69	75	81	91	103	113	123	131

After completing the same number of rounds and pattern repeats on the sleeves as you did for the body, begin working the "Lace Ending" chart or written instructions. Allow the first and third lace patterns to end the same way they did on the body, while the center lace pattern continues to the cuffs. Continue working on the sleeve until it reaches the length specified for your size in the table or your preferred length.

Stop after a Basic pattern Rd 12. BO all sts loosely the same way you binded off the body.

Finishing

Weave in all ends. Soak for 10 minutes, remove excess water, block it and let dry flat.
